

Memphremagog Ice Out 2012

**Guess
When the Pickup Drops
Donated by Hayes Ford**

As winter arrives and the ice comes in hard on Mighty Memphremagog, it's just about the right time to think about the first real sign of spring. It's not a bird. It's not a sap bucket. It's not even Town Meeting Day. It's when the trucks start dropping through the ice!! So take a guess. We've got the truck, donated again this year by Hayes Ford. It will be placed out there on the lake side of the EastSide Restaurant in early March so that all of us can eat, drink, watch and wait, all on the new and improved, covered and glassed in bar on the deck. 50% of all money raised will go to the closest guess before the truck drops. The remainder goes to supporting special events and all the other activities and programs hosted and supported by Vermont's North Country Chamber of Commerce. All entries must be received on or before March 15, 2011. Special Thanks to the sponsors of Memphremagog Ice Out 2012:

Wrights Enterprises and Hayes Ford
